The joy of reading meets curriculum support

Within myON Reader, teachers can assign reading, writing, and robust projects to support curriculum. As students work within the platform, teachers can monitor student work and provide support as needed.

- **Administrators** have both “big picture” and detailed information regarding student, class, school, and district program usage and progress.
- **Educators** have access to real-time, actionable data on individual learners, groups, and classes to better inform their teaching, support differentiated instruction and build collaboration.
- **Students** take ownership of their growth. From their own dashboards, students manage their preferences, respond to the text using writing tools that support literacy development, and monitor their progress.

Unparalleled content

Our personalized literacy environment includes enhanced digital texts in English and Spanish from respected publishers in a mix of fiction and nonfiction. Optional reading supports and a suite of reading and writing tools foster deep connections to the text—all available on the same digital platform.

- Core Library**
 All myON subscriptions include a core library containing over 6,000 titles from Capstone.
- myON Classics**
 Available at no additional cost, myON Reader is bringing you complete, unabridged digital versions that are perfect for middle school and high school students! Also available in Spanish.
- Partner Publishers**
 Subscribers can expand their digital libraries with content from these premier partner publishers, who collectively contribute over 7,400 additional fiction and nonfiction titles to the ever-growing myON Reader collection.
